IWUG Online Meeting Minutes January 23, 2014

Topics discussed: Announcements

February training should be up by next week.

Ransom Virus – Providers notified about virus and what to do if they see this email.

Looks like a report/doc – if link is opened all files encrypted on the computer you are using – files encrypted directs you to make a payment of \$300 – Shut down computer immediately and call your IT Department. Greg, IDOC – no announcements

Lynn Proctor, ISC – new WITS go to person – working on invoice billing unique to the courts – cost reimbursement – roll out to all providers, training opportunities within the next few weeks. Joni, IDJC – not on call today

Announcements from BPA – DHW virus already covered

System Enhancements and Website Updates – February training and virus announcement

Training - Claim Batch (backing a claim out)

#1 Claim Batch List

#2 Claim Item List

#3 Encounter List – fix & re-release for billing Call WHD if the Intake needs to be reopened

Q & A

Q1. - How often should this list be checked?

A1. – Suggest every time you do your billing.

Q2. – Can you correct a signed note this way?

A2. – Yes you can.

Misc

Some additional training in February

ATR Populations – problems accepting authorization – review Intake and then accept the authorization. FEI making changes to ATR for this issue.

Meeting adjourn at 11:40am
